The course is two loops of about two miles each.

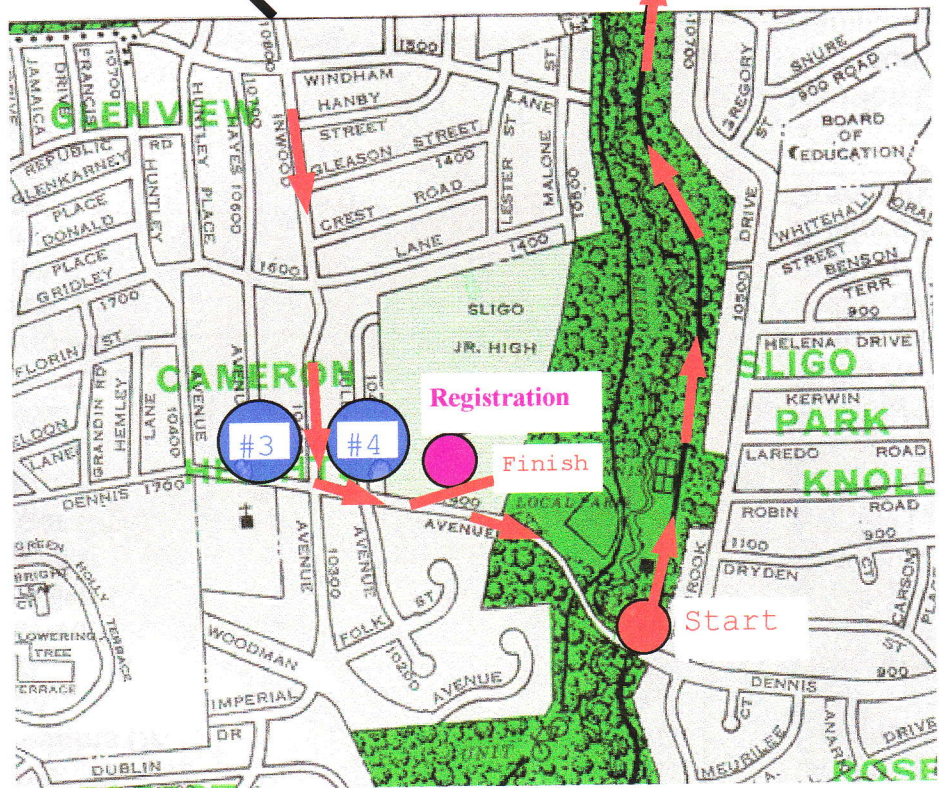

The start is on the Sligo Creek Trail near the intersection with Dennis Avenue.

The finish is in the driveway in front of the school.

There will be one water stop, on the sidewalk in front of the school, at about the 2 mile mark.

There is a slight rise to the course of about 103 feet from the start to the intersection of University Boulevard and Inwood Avenue.

Stay on the sidewalk on University Boulevard!
